**WHISTLER BLACKCOMB**

# Whistler Blackcomb Trail Map

The map is a comprehensive trail guide for Whistler Blackcomb. It is divided into two main sections: **BLACKCOMB MOUNTAIN** on the left and **WHISTLER MOUNTAIN** on the right. A central red line labeled **PEAK 2 PEAK** connects the two mountains. The map includes numerous labels for ski trails, lifts, gondolas, and peaks. Key features include:

- Blackcomb Mountain:** Features trails like Spearhead, Showcase, Crystal Traverse, and Horstman T-Bar. Peaks include Blackcomb Peak (2,440m) and Horstman Peak (2,284m).
- Whistler Mountain:** Features trails like Symphony, Little Whistler, and Whistler Bowl. Peaks include Whistler Peak (2,182m) and Little Whistler Peak (2,115m).
- Central Area:** Includes the Peak 2 Peak gondola, the Roundhouse Lodge, and the Whistler Village Gondola.
- Surrounding Area:** Shows the town of Whistler, Garibaldi Provincial Park, and the Squamish/Lillooet Cultural Centre.

The map is color-coded to show different trail types and difficulty levels. It also includes a legend for various symbols and a scale bar. The Whistler Blackcomb logo is visible in the bottom left corner.
