### **2018-19 Cat Skiing Program Booking Conditions**

Our goal is to provide you with the best cat skiing experience possible.

Sometimes the weather and/or snow conditions do not cooperate and we are unable to operate cat skiing on your scheduled date. If we are unable to operate we will offer a full refund or the option to rebook (based on availability).

Please review the following terms and conditions of our cancellation policy.

### **General Terms and Conditions**

Bookings are not complete until 2018/19 Great Northern Snowcat booking form has been received by Revelstoke Mountain Resort and received confirmation has been sent.

All rates must be in Canadian funds, and an allowance will be made for exchange if payment is in foreign currency.

Payment in full is required when booking a trip with Great Northern Snowcat Skiing.

Payments are non-refundable and non-transferable unless notice is provided more than 120 days in advance of the trip date. If a guest cancels a reservation less than 120 days in advance, then only if a substitute is found, is the payment refundable or transferable. To "transfer" a payment means to apply the payment against the price of another reservation by the same guest or their substitute, in the same season.

In cases of cancellation, the cancellation must be received by telephone and confirmed in writing.

You will not be permitted to participate in any cat skiing trip unless a "Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement" is properly signed and witnessed by our Guest Service Agent.

RMR and Great Northern Snowcat Skiing require all participants to be 15 years of age or older. Participants who are 18 years old or younger must have a parent or guardian to co-sign their waiver as well as ski with them at all times.

It is your responsibility to arrive at the required time and location to commence any trip. It is also your responsibility to ensure proper entry through Canadian Customs and Immigration if entering from outside Canada.

RMR and Great Northern Snowcat Skiing reserve the right to cancel any ski package at any time due to mechanical failure, guest and staff safety and weather and snow conditions. Full refunds will be given in the case that no alternative date suits the guests, but under no circumstances will RMR or Great Northern Snowcat Skiing be responsible for the guests' inconvenience or travel expenses.

If your vacation is interrupted for any reason, including injury, this is treated as a cancellation.

Cat skiing requires a minimum of 6 guests in order to operate for the day.

The use of a Great Northern Snowcat Skiing transceiver is mandatory while skiing with us and it is your responsibility to safeguard and return it to us at the conclusion of your stay. Should the transceiver not be returned, a charge of \$400 + tax will be added to your final bill.

### **Arrival**

It is your responsibility to arrive at the Sutton Place Hotel or the Sandman Hotel on the dates and times outlined in your confirmation notice. There will be no refunds or rescheduling for guests who do not arrive on time.

### **Cancellation and Medical Insurance**

For your own protection, we strongly recommend that you arrange trip cancellation insurance with your insurance provider prior to traveling to Revelstoke. Medical insurance that also covers helicopter evacuation is advised.

### **Equipment Rental**

Powder specific rentals are available through the RMR Rental Shop. Equipment must be picked up the day prior between the hours of 2pm – 4:30pm. Guests can also save money by booking their rentals in advance online.

### **Emergency Assistance**

In the event an injured skier requires assistance, the cost of that assistance is the skier's responsibility. Again, medical insurance that covers helicopter evacuation is recommended.
