Grand Targhee Resort, a hidden paradise tucked in the Western slope of the Tetons, is ready for another winter averaging 500" of light, Teton powder. The high alpine barrier socks storms in, dumping endless supplies of snowfall across 2,602 acres of glades, bowls, and chutes. Skip the crowds, and enjoy untracked runs that are yours for the taking. Where western charm and a big mountain feel come together for the dedicated skier or rider.

Grand Targhee is located in Alta, Wyoming in the Caribou-Targhee National Forest.
