

2021 SUMMER SEASON BREWSTER EXPRESS SCHEDULE

WELCOME BACK TO EXPRESS

We are pleased to announce the successful launch of our Brewster Express 2021 summer operating season. Our schedule is currently operating based on market demand and we are ready to activate further schedules if growth in travel allows. We are excited to be offering our industry leading service once again.

For Winter 2021/2022 we are happy to hold our previously released schedule as our partners have indicated that the demand is there to support this full winter schedule. We will work closely with and continually assess the demand in collaboration with our partners with intentions of maintaining or adjusting this approach as required.
