## A WHISTLER VILLAGE ORIGINAL

For more than 30 years, Crystal Lodge has embodied the soul of Whistler: a warm welcome, award-winning service, and a purity of spirit as fresh as the alpine air. A long history of mountain memories unfolds here in this proudly independent hotel, in the very centre of Whistler Village. Today, Crystal Lodge is a modern tribute to a rich history, with spacious guestrooms, heated outdoor pool and hot tub, and an unbeatable location.

### WHISTLER'S MOST PREMIUM LOCATION

Steps to the ski hill and seconds to shops, pubs and restaurants, Crystal Lodge is the true Whistler Village experience. From this warm mountain retreat, your door opens up to the best of Whistler: the Village Stroll at your feet, the mountains towering above. And all around, an epic sense of adventure.

### GENERATIONS OF MOUNTAIN MEMORIES

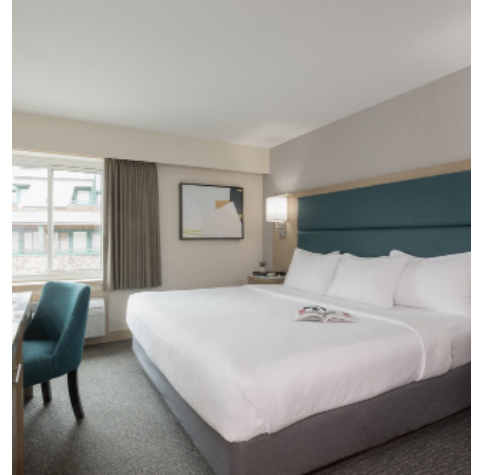

In the beginning... it was a pretty wild wilderness here. A few early adventurers put down roots, slept in cabins they built with their own hands, watched the skies for the generosity of the snow gods, and hiked whole mountains for the mad thrill of a single run.

It's at the core of the Whistler experience – that maverick spirit that echoes today in the village of Whistler. And Crystal Lodge is its stronghold.
